Rules and policy for school transport of PEA

- 1- The use of school transport is privilege and not a right.
- 2- After confirming the admission from school if student need school transport then they come to transport in charge for pick and drop. First the transport in charge will check the space in particular bus which is going on that route and also confirm the location he will tell that school can provide transport or not.
- 3- It is not school responsibility to provide school transport for all the students from all areas because we have limited source and transport.
- 4- Students will be picked up and dropped off at the common bus stop, which will be designated by the school authority.
- 5- There will not be any rebate or concession for one way use of bus.
- 6- In case of change in residence or pick up point, a written permission from the transport in charge/Principal is to be obtained will in advance. Temporary change of bus stop will not be entertained.
- 7- Students must reach their designated stops before time. Bus will not wait for late comers.
- 8- Students will be responsible for any damage to buses caused by their negligence or vandalism.
- 9- Discontinuation of school transport facility should be informed to the concerned authority minimum 30 days in advance.
- 10- Shrieking, shouting and unruly behavior is prohibited, The facility can be stopped on misconduct.
- 11- It is the duty of the parents they should come at bus stop which is designated by school authority at morning to board their children to the bus and should wait to receive him/her in the afternoon at same bus stop.
- 12- Students should stay in their assigned seats and should not lean out of the bus window.
- 13- It is not allowed to any bus assistance or bus driver to go inside to any building or any villa for pick up the students or drop off.
